Founded in 1995, **Grupo Rolo** currently has 6 production units for dry cakes, brioche, confectionery products, frozen and deep-frozen pastries, located in the municipalities of **Mafra, Óbidos and Alcobaça**.

IT IS WITH HUGE PLEASURE THAT WE SHOW WHAT WE CAN DO BEST.

GRUPO ROLO

With a philosophy based on a strong commitment to the innovation of manufacturing processes and the use of advanced technological means, our company stands out for its rigor and experience, for its capacity.

At the core of our performance are factors such as the quality and diversification of our products which, in line with a strategy of sustained growth, allow us to have a high sense of competitiveness.

A production area of over 17,000 m² and our own fleet, allow us to respond quickly to market needs and guarantee the distribution of our products in the best conditions.

Grupo Rolo has several certified units with internationally recognized certifications, translating the high quality standards in the treatment of raw materials and finished products.
